LOGNOTE -- Chief, Operations Group, 29 August 1985

1. [ ] Following from this morning's staff meeting: 25X1
  - [ ] will become DD/ORD. [ ] will replace 25X1  
 [ ] on DDS&T staff. 25X1
  - [ ] has insisted that each component appoint a senior 25X1  
 training officer--someone with sufficient authority to force  
 people to go to training. [ ] will be FBIS training 25X1  
 officer.
  - [ ] one of FBIS' many rumored future homes, is 25X1  
 receiving 1200 new parking spaces.
  - There will be a cornerstone laying ceremony at Langley on  
 31 October. The Vice President will be there.
  - Comptroller has refused the FBIS reprogramming on the grounds  
 that S&T has not resolved the NPIC deficit. DDS&T is protesting  
 to ExDir.
  - DD/FBIS will attend a panel session with the recruiters  
 11 September. In July the Agency EOD'd more people than in any  
 previous month in history, but overall on board strength  
 declined by 44 people. Message here?
  - State has ruled that danger pay can only be paid for weekdays!  
 Many protests.
  - [ ] becomes Director of Security Tuesday. 25X1
  - DDS&T will have a [ ] in 25X1  
 1987. The chap will be involved with technology transfer. Good  
 [ ] a good technical vocabulary and a good understanding of 25X1  
 what is and is not strategic in technology is required. We are  
 being given the long advance notice to allow for language and  
 other training. People GS-12 and above can be considered.
